POTJIE COOKER

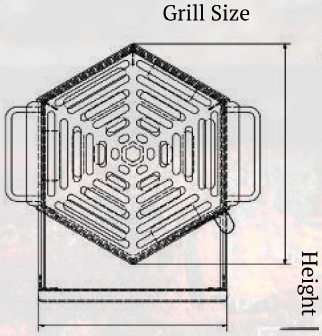

Freestanding

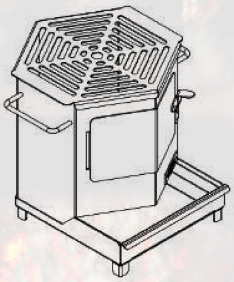

The Potjie Cooker, designed for 3 to 4 kg pots. Available for purchase with or without a pot, this cooker enhances your outdoor cooking experience. While some believe the secret to a great potjie is to leave it undisturbed, we know it's the bushveld setting and great company that truly make it special. Create the most delicious potjie in South Africa with our Potjie Cooker, perfect for gatherings and unforgettable culinary moments!
