

CABINET 850

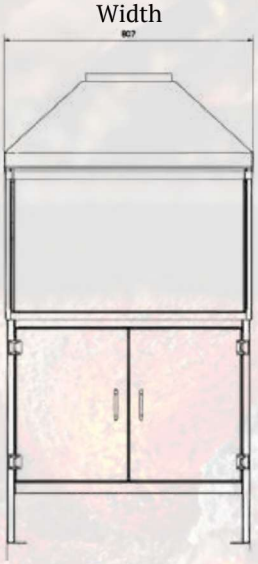

The Cabinet 850 Freestanding Braai – outdoor cooking made effortless. Designed for convenience and durability, this ready-to-use braai requires no construction – simply position it in your space, light the fire, and enjoy. Built with your choice of mild steel for strength or stainless steel for a sleek, modern finish, it's crafted to suit every style of home. The unit comes complete with a 600mm flue pipe and storm cowl, making installation quick and hassle-free. Practical, stylish, and reliable – the Cabinet 850 Freestanding Braai is the perfect way to bring authentic wood-fired cooking straight to your outdoor area.
